triangle: the way a figure faces

The fuller form of the sung Mass, with incense: a master of ceremonies, a thurifer, two acolytes, a crucifer and torchbearers. Your church's seats and doors will differ from the plan; move your figure on a sheet to match.

You stand at the credence, nearer the altar.

1. Walk at the crucifer's right, your candle held on your outside (right) shoulder.
2. Stop where the thurifer genuflected and bow: walking beside the cross, you do not genuflect.
3. Set your candle by the credence and go to your place there.

Practice differs a little from church to church: where your priest or MC does it differently, do it that way. From *Serving the Latin Mass*, <https://mikeygabmiller.github.io/Serving/>, where every instruction carries its source.
