triangle: the way a figure faces

Two servers share the work of one. Each keeps a corner of the lowest step: the first server the Epistle corner, the second the Gospel corner. You answer every response together.

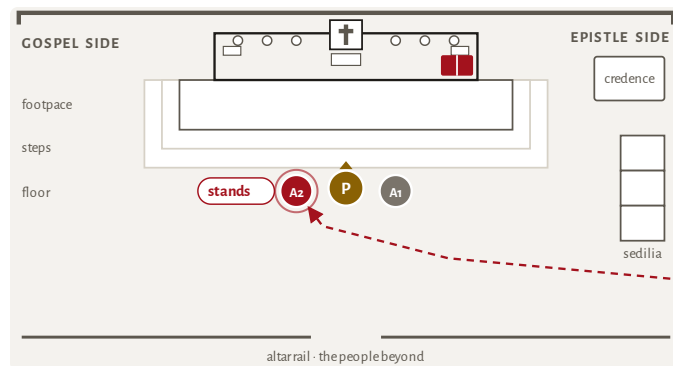

BEFORE MASS

1 Get ready in the sacristy

You stand at the credence.

1. Vest in cassock and surplice, and wash your hands.
2. Help get the credence and the altar ready; the two candles are lit, the Epistle side first.
3. Take holy water from the first server at the sacristy door.

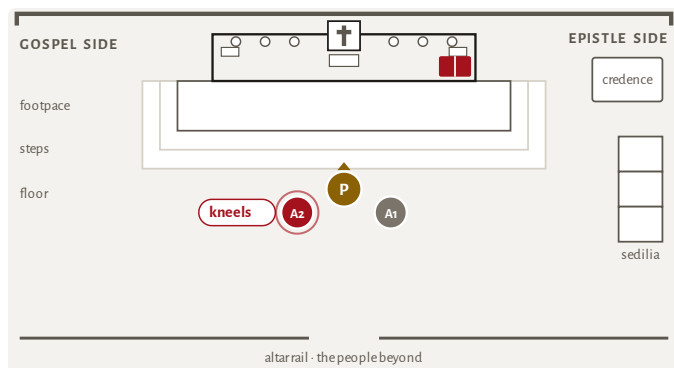

BEFORE MASS

2 Lead the priest in and take your places

You stand at the priest's left, at the foot of the altar.

2. Genuflect with the priest at the foot of the altar, and hold up his alb as he goes up the steps.
3. Wait while the first server takes the biretta away. When the priest comes back down and genuflects, kneel.

Practice differs a little from church to church: where your priest or MC does it differently, do it that way. From *Serving the Latin Mass*, <https://mikeygabmiller.github.io/Serving/>, where every instruction carries its source.
