triangle: the way a figure faces

The fuller form of the sung Mass, with incense: a master of ceremonies, a thurifer, two acolytes, a crucifer and torchbearers. Your church's seats and doors will differ from the plan; move your figure on a sheet to match.

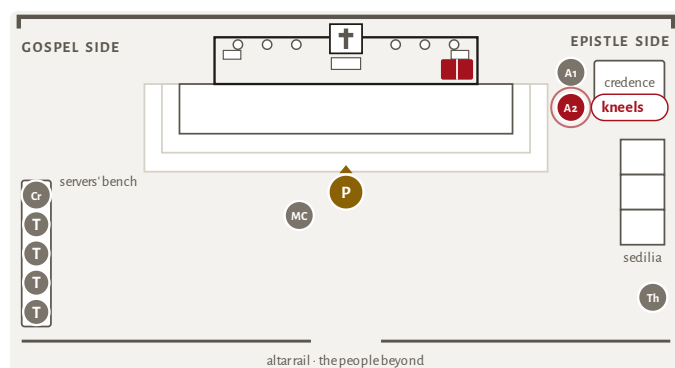

BEFORE MASS

1 The procession arrives

You stand at the credence.

1. Walk at the crucifer's left, your candle held on your outside (left) shoulder.
2. Stop where the thurifer genuflected and bow: walking beside the cross, you do not genuflect.
3. Set your candle by the credence and go to your place there.

MASS OF THE CATECHUMENS

4 Incense is put in for the Gospel

You stand at the credence.

1. When the priest puts incense in the thurible, take your candle.

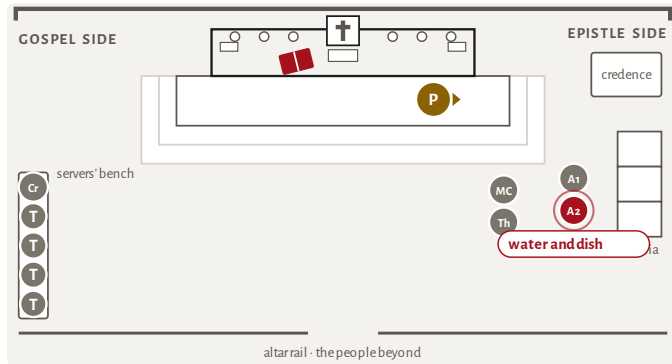

OFFERTORY

9 The cruets

You stand on the step at the Epistle corner.

1. When the MC has folded the chalice veil, take the water cruet and stand on the floor at the Epistle side, at the first acolyte's left.
2. When the priest is ready, bow, go up, and hand him the cruet in your right hand with the kisses.
3. Take it back in your right hand, bow, kiss the cruet, put it back on the credence, and go to your place.

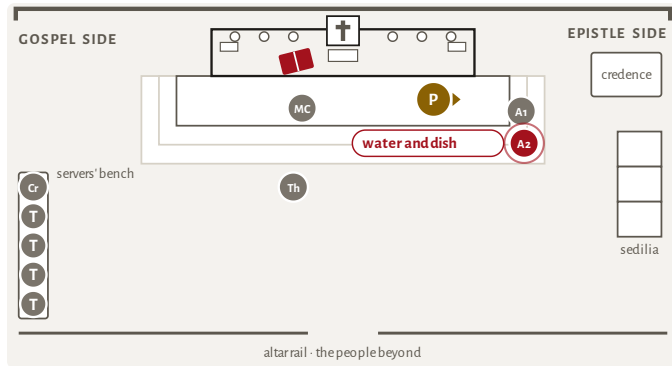

OFFERTORY

10 The priest is incensed

You stand on the floor at the Epistle side, waiting.

1. Take the water cruet and the dish and wait on the floor at the Epistle side, leaving room for the MC and thurifer to incense the priest.

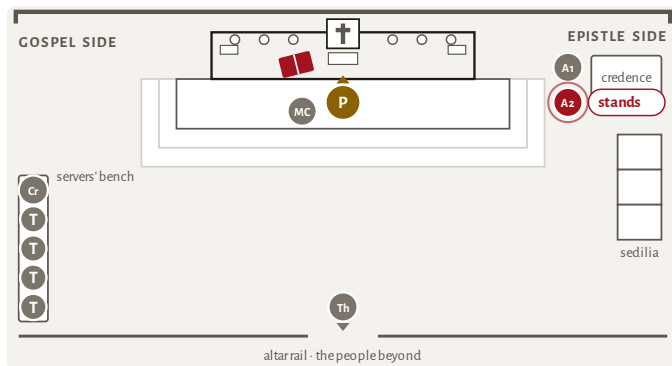

OFFERTORY

11 The Lavabo

You stand on the step at the Epistle corner.

1. Go up with the first acolyte, bow, and pour a little water over the priest's fingers into the dish.
2. Bow, put them back on the credence, and go to your place.

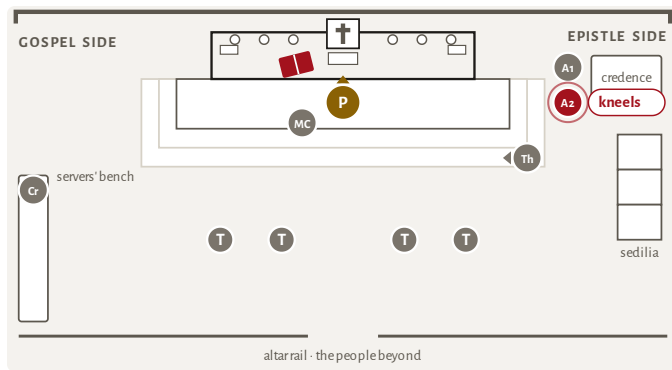

OFFERTORY

12 The servers and people are incensed

You stand at the credence.

1. When the thurifer comes to incense you, bow before and after.

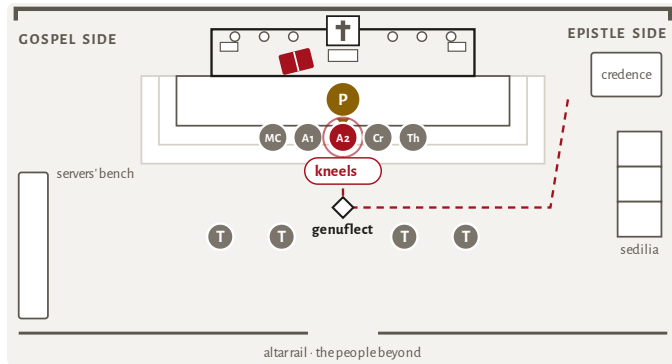

SANCTUS AND CANON

13 The Consecration

You kneel at the credence.

1. Kneel at your place when the MC signals, and rise with all after the elevation of the chalice.

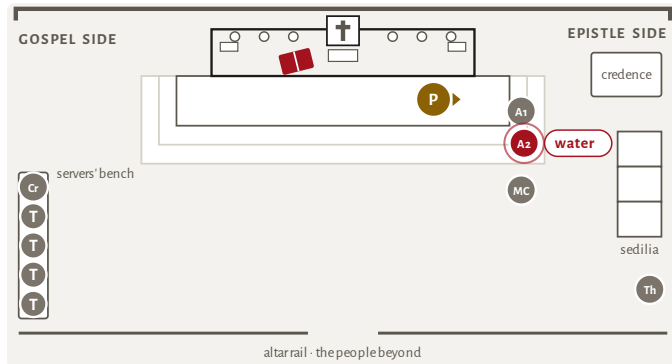

COMMUNION

14 The servers' Communion

You kneel on the edge of the footpace.

1. When the priest has drunk the Precious Blood, rise and follow the first acolyte to the front of the altar.
2. Genuflect, go up and kneel, at the MC's signals.
3. After Communion rise, come down turning toward the middle, genuflect, and go back to your place and kneel.

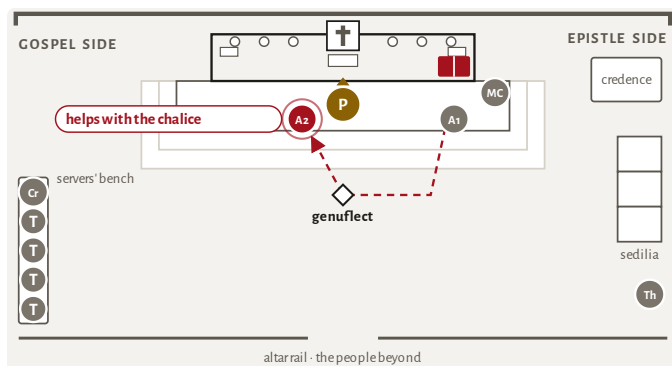

COMMUNION

15 The ablutions

You stand on the step at the Epistle corner.

1. When the priest locks the tabernacle, rise, take the water cruet, and wait on the floor.
2. Take one of the patens and wait on the top step for the first acolyte.
3. At the second ablution, after the first acolyte pours the wine, pour most of the water until the priest signals.

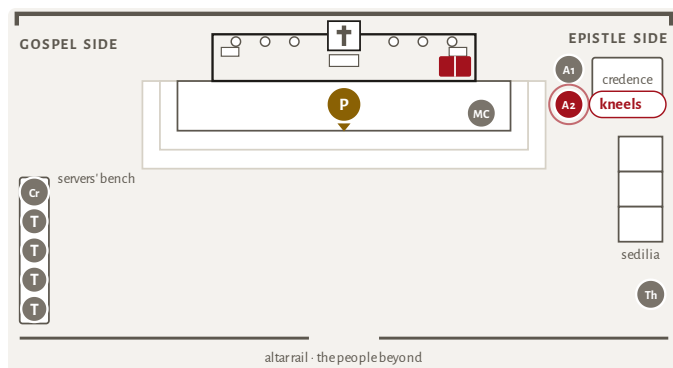

AFTER COMMUNION TO THE END

16 The missal and the chalice veil

You stand on the footpace at the priest's left.

1. Lead the first acolyte to the middle and genuflect together.
2. Go behind the first acolyte to the Epistle side for the chalice veil; come back the short way and genuflect together in the middle.
3. Take the veil to the Gospel side and help the priest with the burse and veil. When the chalice is built, go back to your place.

Fortescue calls carrying the veil across "quite unnecessary really" (p. 142 n. 1).

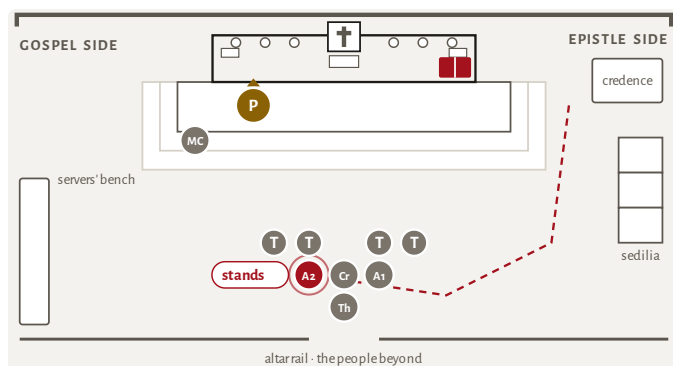

AFTER COMMUNION TO THE END

17 Postcommunion and blessing

You kneel at the credence.

1. Kneel for the blessing where you are.

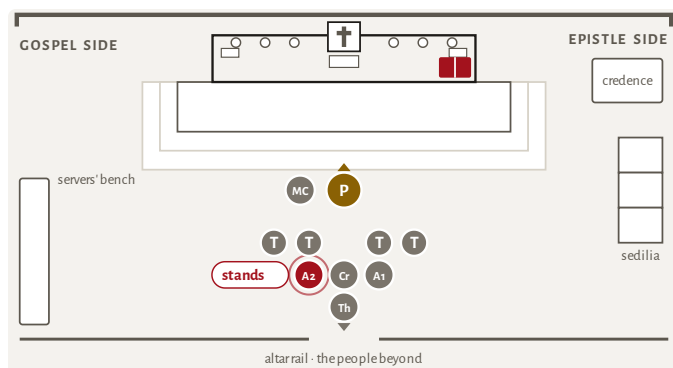

AFTER COMMUNION TO THE END

18 The Last Gospel: line up to leave

You stand in the middle, at the crucifer's left.

1. After signing yourself at the start of the Last Gospel, take your candle and go to the middle, at the crucifer's left.
2. Walking with the cross, you do not genuflect: at *Et Verbum caro factum est* and at the MC's last signal make a simple bow of the head.

AFTER COMMUNION TO THE END

19 Back to the sacristy

You stand in the middle, at the crucifer's left.

1. Turn in toward the crucifer and walk out behind the thurifer.
2. In the sacristy stand beside the crucifer for the blessing.
3. Then clear the credence and wash the cruets and the Lavabo dish.

Practice differs a little from church to church: where your priest or MC does it differently, do it that way. From *Serving the Latin Mass*, <https://mikeygabmiller.github.io/Serving/>, where every instruction carries its source.
